2024 Hospital Culture of Safety Survey

Prepared for: Business Unit ID = 52009

February 18, 2025

How To Use This Report

What is the purpose of my report?

The purpose of this report is to help you easily review the highlights of your data so you are confident to discuss with your team.

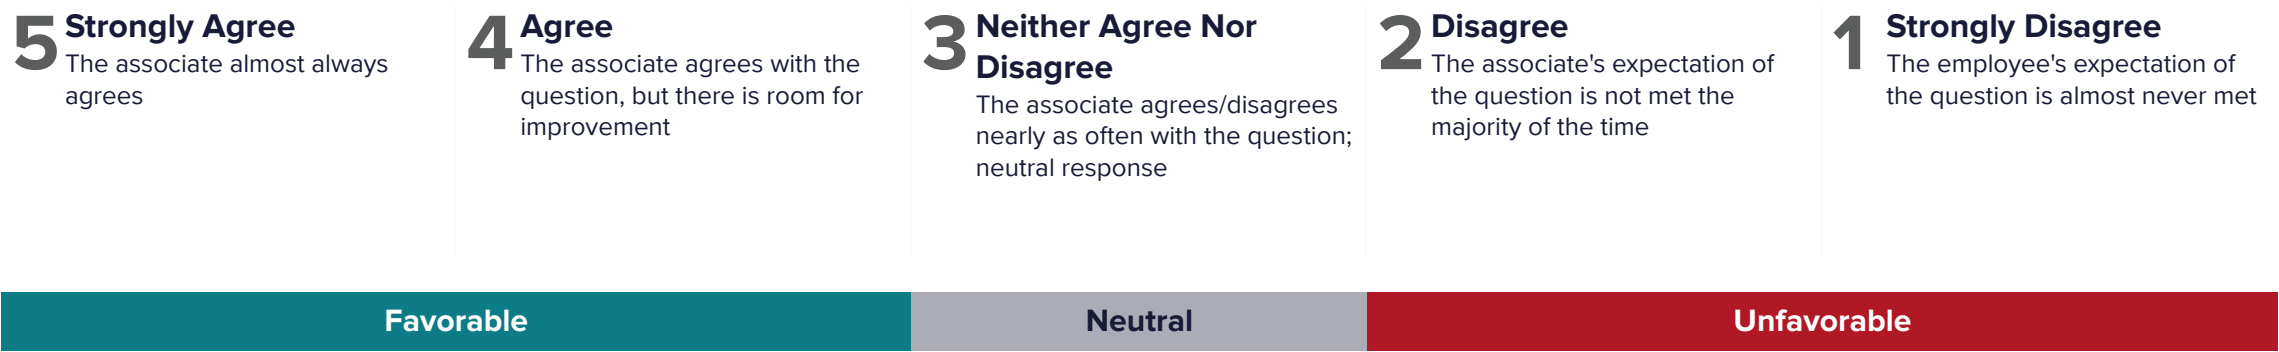

What questions will this report help me answer?

- What are the key strengths in my area?
- What are the areas of opportunity that require monitoring or action planning?
- What are the barriers to engagement for my team?

How do I use these scores?

The guide below can be used to interpret favorability scores (i.e., percentage of responses that are deemed favorable) at the category or item level.

AGREEMENT RESPONSE OPTIONS

What is Expected of You

It is important for you to understand your role and responsibilities in sharing survey results with your colleagues / team and taking the necessary actions to improve the areas where you can do better.

READ

Spend time reviewing your survey results.

DISCUSS

Discuss your results and communication plan with your manager.

SHARE

Prepare/facilitate feedback and action planning sessions with your team.

CONFIRM

Debrief your manager on your feedback sessions and action plans.

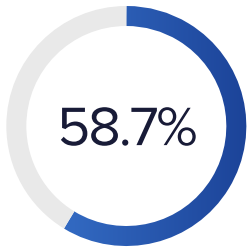

IMPLEMENT

Incorporate action plans into your business goals to monitor the team's effort and results.

Hospital Survey Results Summary

Patient Safety Rating (Hospital)

Response Rate

My Group

44%

(n=746)

Company

42%

(n=56,547)

Top 5 Composite Measures

	My Group	Company
Reporting Patient Safety Events (Hospital)	81.0%	76.0% (+5.0)
Supervisor, Manager, or Clinical Leader Support for Patient Safety (Hospital)	79.7%	77.6% (+2.1)
Teamwork (Hospital)	78.9%	80.5% (-1.6)
Communication Openness (Hospital)	76.2%	74.1% (+2.1)
Communication About Error (Hospital)	75.1%	71.9% (+3.2)

Top 5 Scoring Questions

	My Group	Company
1 In this unit, we work together as an effective team.	86.7%	86.9% (-0.2)
2 When a mistake reaches the patient and could have harmed the patient, but did not, how often is this reported?	85.9%	83.6% (+2.3)
3 During busy times, staff in this unit help each other.	84.8%	87.0% (-2.2)
4 My supervisor, manager, or clinical leader takes action to address patient safety concerns that are brought to their attention.	84.3%	81.8% (+2.5)
5 In this unit, staff speak up if they see something that may negatively affect patient care.	82.9%	81.9% (+1.0)

Bottom 5 Scoring Questions

	My Group	Company
1 Hospital management seems interested in patient safety only after an adverse event happens.	35.2%	34.4% (+0.8)
2 Staff in this unit work longer hours than is best for patient care.	43.6%	45.0% (-1.4)
3 In general, what is the likelihood that you would seek care for yourself or for your family at this hospital?	46.1%	57.5% (-11.4)
4 When transferring patients from one unit to another, important information is often left out.	48.1%	49.6% (-1.5)
5 In this unit, we have enough staff to handle the workload.	48.9%	45.1% (+3.8)
